

ARVA

# MPEV SERIES III

www.arvaindustries.com

DESIGNED, MANUFACTURED AND TESTED BY **ARVA** INDUSTRIES INC.

## MULTI-PURPOSE ENGINEER VEHICLE

- Tier III Electronic Diesel Engine (Cummins)
- Self-deployable at convoy speed: 110 kph (68 mph) maximum
- Machine noise level below military requirements of 87 dB
- 8 speed power shift transmission; 4 speed work range
- 4 speed travel range with lockup torque converter
- Operating temperature range: -40° C to +49° C (-40° F to +120° F)
- Air transportable - C130 Hercules
- Rail and sea transportable
- Air suspension for road travel
- Battery slave connection
- Air brakes with ABS, air dryer and remote air port
- Cold weather package: remote coolant heater, heated mirrors, battery heaters
- 2-piece, bolt-together wheel rims complete with bead lock for quick and safe field repairs
- Tire size: 14.00 x 20.00 J-ply
- Wide stance axles for high speed stability
- Cab:
  - ROPS certified
  - framed windows for easy change out
  - environmentally controlled
- Hydraulically powered loader and backhoe
- Travel range of 750 km (460 mi.) per tank
- 76 cm (30 in.) fording depth
- 2 hydraulic power take off circuits for small tools such as chain saws
- Field repairable radiator
- Multi-purpose bucket:
  - 4 in 1
  - 0.92 cu. m (1.2 cu. yd.)
  - 2 994 kg (6,600 lb.)
- Axle-Front: steer, limited slip. Axle-Rear: lock-up differential
- Tie down loops
- Lifting eyes - spreader not required
- Tool and tire chain compartments
- Front recovery air system couplings
- Vandal protection: lockable compartments
- Jerry can holders (2)
- Operator's seat: air suspension with 4-point harness
- Crew seat
- 2 wheel / 4 wheel drive with lockup rear differential
- Military blackout lighting
- Camouflage netting storage
- Weapon rack
- Full light package
- LED lighting

### OPTIONS

- Wrist Action Backhoe - 180°
- Extendible Dipper Stick: 5.2m (17 ft.)
- Winch: 4082 kg (9,000 lb.) line pull with remote control
- Choice of buckets:
  - General Purpose
  - 36" Trenching
  - 24" Trenching
  - Severe Duty
  - Backhoe
- Forklift Attachment-Loader
- 8" Auger
- Crane Jib
- Run Flat Inserts
- Central Tire Inflation
- Trailer Hitch: Hand Removable
- Full Mine Blast Package
- Armor Plate Ready

**BALLASTIC PROTECTION**  
*... protecting our soldiers*

the MPEV has been engineered to accommodate the extra weight of the ballistic package without compromising performance

Self-deployable at convoy speeds. Air, rail and sea transportable. Wide range of options.
